

## Annual Report 2006 School Year

Tuesday, December 26, 2006

Dear Friends, Sponsors and Well Wishers,

We are very happy to inform you that “we left no child behind for education this year (2006 school year)”. With your support, we were able to help 275 children, a significant increase from last year’s 164 children. One hundred per cent of your contributions went towards our underprivileged children’s welfare. Our support has grown to 102 donors from the United States, India, Switzerland, Sweden, Ukraine and Singapore.

We like to thank our new sponsors along with our 41 old sponsors, our volunteers in India, our volunteers in USA, Sweden, Germany, France and Switzerland, administrative staff, our friends and well wishers. All of you as a team, are making a great difference in our children’s lives to get them an education. They will never forget all of our help.

We like to appeal to all our sponsors’ team to spread the word about our charity so that we can help hundreds of children waiting for our help for education in 2007

Wish you all a Happy New Year 2007.

Regards,

Sam & Rena Vonumu

## Awards Ceremony - March 5, 2006, Visakhapatnam, AP, India

The most outstanding children who performed very well at school were recognized and rewarded at our annual program. We wanted to encourage other children to do well through this type of public gathering and many of the children met us after the meeting to ask us if they could get a reward for scoring high next year. That is exactly the response we were looking for. The chief guest for the program was Smt. Vugadi Madhuvani, I.R.S (Addl. Commissioner of Income Tax, Government of India). Ms. Madhuvani presented the awards to the students and Pr. John Choudampalli, President of

Seventh-day Adventist Institutions in Central India from Hyderabad, AP, India, was our guest of honor. Nearly 300 attended the awards ceremony including the Vonumu children, their parents/guardians, school principals and well wishers. Following the ceremony was a nice luncheon for our children and their parents.

### Ramya Award lead to Boggavarapu Foundation Award

Last year Ramya Boggavarapu, a very generous 5 year old child, gave half of her birthday money (\$44 dollars) to our charity. Her donation was used to reward two outstanding children. The first cash award of Rs. 900 went to Pavan Kumar, a student of St. Joseph Public School in grade III, Cherukupalli, Guntur, AP, India. His GPA was 4.0 (A+). The second award of Rs. 1000 went to Ruth Seelam, a student of Seventh-day Adventist High School, Hyderabad, AP, India in grade I, for securing first in her class.

Ramya's parents (Dr. Lava & Dr. Navin Boggavarapu) were happy to see their daughter's donation so well spent. They have now come up with a family award for outstanding children from the 2006 school year. The award is named " Dr. Boggavarapu Subbarao Memorial Award" from their Boggavarapu Foundation. There were 22 recipients selected to receive this year award to be presented in February 2007 during our annual meeting.

We received \$27,677 as of December 20, 2006. We still have few more financial transactions to be completed. We are waiting for all the expense reports and receipts from India. Once we get everything in hand, we will do a financial audit from a CPA and then file form 990 with IRS. Once that is done, the report will be available online for our sponsors.
