Dear Friends, Sponsor’s & well-wishers,

We thank God for His blessings and guidance as we approach to the end of our 14th year of service to the less fortunate children since its inception in 2000. We cannot forget the encouragement and the support that we received from 580 sponsors (USA, UK, India, Ukraine, UAE, Oman, Singapore, Malaysia, Germany, Switzerland, Kenya, Saudi Arabia, & South America), 80 volunteers from east to west, and friends from all over along with the help of our administrative teams and Board of Directors from USA, Nepal, India & Philippines.

We had a fantastic year with lot of activities and celebrations which include Annual Award ceremonies, Sponsor’s Meets, Independence Day Celebrations, Fundraisers, Walkathon and Seminars. We could sense the team spirit which led to the success of every event. Three Dance Academies have conducted programs exclusively for raising funds for the benefit of our children. We are promoted through walkathon program. Some kids donated all their birthday celebrations’ money to Uplift a Child and also did fundraising program on Children’s day. I am happy to inform you about our successful launching of Uplift a Child in the Philippines. Ms. Jocelyn Soriano has come forward to take this mission to Philippines and she is the Director for Philippines. This year we have extended our help to the children at Chitwan in Nepal. We were able to sponsor 300 more children who have been waiting for help.

We are much delighted to experience this success through the support of our Sponsors, Volunteers, well-wishers, Schools and Business vendors. We express our sincere thanks and heartfelt gratitude to all of you. We are proud to say that we have achieved beyond our expectations which has become possible just because of you all. We recommit ourselves to serve the underprivileged by giving them quality education.

Wish you Happy holidays and a have a great New Year 2015!
Thank you,

Sam & Rena Vonumu

Walkathon By Rachana Krishnan & Team on August 23, 2014 in Chantilly, VA, USA:

After attending our event, a 14-year old high school girl Rachana Krishnan from Virginia was determined to do a Walkathon entitled Educate on the run/ 5K Run/Walk. She gathered some of her friends, talked to county park, took permission and had 100 people participate. We appreciate the goodness of Ms. Rachana Krishnan. Thanks to all the participants who came up with a great spirit.

Cake & Bake Sale by Rachana Krishnan & Team

Rachanas team, students of Sindhura Dance School did a bake sale by baking 600 different varieties of goodies and raised money for this cause. We appreciate their commitment by going that extra mile for a great cause. They have donated every dollar they have risen to Uplift a Child.

BIRTHDAY DONATIONS

Romir & Myra Paulus, the twin boy and girl of Piya & Robby Paulus have celebrated their 10th birthday and have donated all their birthday gift money to Uplift a Child to support a child for 12 years of education.

We are amazed at the spirit of the little children who came forward to do something like this. They are leading by example from a young age. All of us at Uplift a Child are thankful to them and proud of them.

Vyshnavi Kolli,
She is the daughter of one of our sponsors Mr. & Mrs. Shiva & Sushmitha Kolli. She did not celebrate her birthday in a big way as they usually do all the time.

This time, Vyshnavi have seen her parents talking about how they are helping children for education in India and why they are doing it. At her little tender age, she felt and told her parents to donate the expense money towards Uplift a Child so that another child can go to School.

OUR SPONSOR’S SPECIAL CONTRIBUTION
We would like to thank many of our sponsor’s families who have done the following

1. Some of our sponsor’s children have donated their birthday gift money to Uplift a Child
2. Some of our sponsor’s families have donated the money from their anniversary programs to Uplift a Child.
3. Some of them made a commitment to donate 25% of their will to Uplift a Child
4. Some of them are restaurant owners and have donated the tips money to Uplift a Child at the end of the year.
5. Some of them have actually donated the money they have for God’s gift towards sponsoring hundreds of meals (food for our children during our annual events)

ADOPT A CHILD FOREVER PROGRAM
We now have started a new program called “Adopt a Child Forever Program”. For US $2,500 we can support a child forever by depositing the money to a fixed deposit in the bank and the interest is enough to pay for annual expenses for a child in our program in India. Now many sponsors are considering this program and sponsoring children in their parent’s name, foundation name or in memory of someone whom they love so much. With this money, we support a child for 12 years and then pick a new child and support for 12 more years and the cycle will continue forever.

OUR FINANCIAL REPORT
Our goal for 2014 is $245,000. We received a total of US $210,000. We are short by $35,000 as of 12th December, 2014. We are thankful to the contributions from 580 individual sponsors as well as few company matching funds. The financial report for 2014 will be available online for anyone once it is ready on guidestar.org.

Sponsors for Food Donation during Uplift Child Annual Programs in India

Food Donors - Thanks to many of our friends who donated a good meal (from 25 - 100+ meals) during our Annual Programs in India. It generally costs $2.5 per each meal and we have a need for close to 5000 meals for our next Uplift a Child Annual Programs in January 2015.
OUR PLANS FOR 2015

1. Through the inspiration of Walkathon by high school girl Rachana Krishnan, we have a desire to do Walkathons in at least 3 locations in US next year. We have our website ready where people can register online for walkathon. We can decide if we will do $25 or $30 for the registration. This will be either a 5K walk or a 2K walk. We invite anyone who would like to take lead and make a difference.

2. After our three successful dance events, some more dance schools have come forward to do some events in the name of their Dance school. We invite anyone who would like to be a part of Uplift a Child to do a fundraiser and we can take care of all the expenses.

3. We are not planning to take too many children in 2015 but we will continue to improve quality in existing children with the help of our local volunteers. We may take a few children since we have promised them the previous year.

4. We are inviting our Sponsors to conduct the Annual Children Programs during their visit to India with the assistance of Uplift a Child India team. We are looking for any of our current sponsors to conduct 2014 programs in Karmatar and Bisunpur in Jharkhand, Naxalbari in West Bengal and Gossaigaon in Assam.
