Dear Friends, Sponsors & well-wishers,

Uplift a Child International celebrated its 13th year of service to less fortunate children in 2013 (2000 to 2013) during which 2,000 children have benefited. This was possible only with the help of our 515 dedicated sponsors from around the world (USA, UK, India, Ukraine, UAE, Oman, Singapore, Malaysia, Germany, Switzerland, Kenya and Saudi Arabia), 70 volunteers from east to west, and friends from all over, along with the help of our administrative teams and Board of Directors from USA, Nepal & India.

I cannot believe how time is passing by so quickly and to realize that some of our children have already completed their college is truly remarkable. They are no longer children and I am happy to see them become adult volunteers for Uplift a Child. We are happy to provide some of our children summer internships at our Uplift a Child office in India. So far, Rajesh Sivakoti and Aslesh Yendluri have successfully completed their first year of Internship with us while pursuing their college education. Rajesh visited Assam and has conducted an Uplift a Child annual program there and inspired our 50 sponsored children there. I can clearly see the result of our work with the example of Rajesh’s involvement with Uplift a Child. Per my calculations, at least 60-70% of our sponsored children will become a future sponsor or a future volunteer and continue our vision as they have personally experienced our goal to uplift the less privileged children in their educational careers. Rena and I are pleased to see these types of results while we are still alive and we thank God for his blessings towards helping our cause.

Once again, we left NO child behind in 2013. We have extended our operations to Nepal and it was very successful year. I personally visited Nepal and met all of the children, volunteers, the school and the parents; it was very successful. Mr. Loknath Tiwari is our Country Director for Nepal and is walking the same path which was created by Uplift a Child International. We are preparing to extend the same help to the Philippines from 2014.

Thanks to all of our Sponsors, Volunteers, Schools, Business vendors who supply us with everything we need for our children. Thank you for making a difference with your time, talent, contributions and your dedication; we will never forget your help. Our savings in this world are not what we have today but what we give to others.

Happy holidays and a have a great new year!
Thank you,

Sam & Rena Vonumu

OUR VOLUNTEERS
We cannot be successful without the endless efforts our volunteers provide. Our volunteers include children, adults, men, women and people from all walks of life. Our local volunteers monitor the children’s activities very closely and their visit to our children’s homes each month inspires each child and parent to be responsible citizens. We are thankful to all of our volunteers, old and new alike. A special thanks to Melissa Stonehill from the USA who has come all the way from America to India for 2 weeks. We appreciate her service to our hundreds of children as she travelled with us as a full time volunteer being the Event Photographer for the 2013 Annual Programs in India.

OUR ANNUAL CHILDREN Programs in INDIA (January 07, 2013 – January 27, 2013)
Detailed report available @ [http://upliftachild.org/reports/2013IndiaVisit.pdf](http://upliftachild.org/reports/2013IndiaVisit.pdf)
Every year, Sam & Rena Vonumu and their team visit India to meet the children, parents, schools, volunteers and other business units who are part of our mission. It is during that time that we do the annual day programs for our children at various locations all over the country. We are very thankful to Boggavarapu Foundation for sponsoring all the certificates & cash awards (Rs.1000 for 1st rank, Rs. 750 for 2nd rank and Rs. 500 for 3rd rank) during our annual programs all over the country. We are also thankful to Mr. & Mrs. Surya Rao for Challapalli Awards and Surender Kethavath’s family for Changa Awards. If students show an improvement of 20% from the previous year to the current, the child receives a Rs.250 award and a certificate. With these 3 types of awards, we were able cultivate great motivation in our children for upward mobility.
OUR ANNUAL SPONSORS MEETINGS
Detailed report available @ http://upliftachild.org/reports/2013SponsorsPrograms.pdf

We conducted our annual sponsors meetings in New Jersey, Virginia, Washington and Maryland states in USA during 2013 and also one in Kiev, Ukraine. We provide full details about all our children, a summary of their development, a summary of how every rupee or dollar has been spent and shared some of the success stories, and discussed how we can improve the children’s lives. Each time we get together, we are growing with inspiration, dedication, support and friendship. Our sponsors are happy with our work as we updated them with a detailed presentation on each and every aspect of our operations in India and USA.

We had a successful first year with the children of Nepal, as we started with 50 children in Waling.

Sam Vonumu & Loknath Tiwari from America visited Nepal in January to visit all the children and their families along with our Uplift a Child India team, Sudhakar Kaligithi and Roy Prakash Thanakula.

We will be adding 2 more locations in Nepal in 2014, Chitwan and Gorkha. Krishna Pokhral from Orlando will be leading the Gorkha operations and Sujan Amgain will lead the Chitwan operations.

In order to promote Uplift a Child Nepal, we have participated in two Nepali events in America:

**05 JUL 2013 – Rye Brook, NY**

We were invited to speak at 2013 ANA Convention

(see pictures on Facebook)

**26 NOV 2013 – Orlando, FL**

2013 OUR OTHER EVENTS & PRESENTATIONS in USA

Nandamuri Fans in USA are supporting 27 children through us. Nandamuri Balakrishna, during his visit to USA, presented the annual contribution check for all the 27 children. Nandamuri Fans have really made a difference with their coordinated help. Even though they like a film star, they are supporting children in Nandamuri Family name. We applaud them for their decision.

19 SEP 2013 – Silver Spring, MD (more pictures on face book )

One of the IT departments within Discovery Communications LLC received an Innovation Award in 2013 and was given a cash award of $2,500 which can be donated to their favorite charity. Nrityanjali Dance Company has volunteered for us and performed a successful fund raising event with the help of their Dance School Students. We thank the team for their hard work which resulted in sponsoring 6 less fortunate children for 12 years of education. We invite more Dance Schools from any where to join hands and partner with us to help more children.

02 NOV 2013 – Greenbelt, MD

We were invited by Vaaradhi, One of the Telugu Indian Association in Maryland area for their annual event. Susan Carson and Rena along with Stella put up a stall there to spread our work.

We are thankful to KFC Restaurant at CMR Shopping Complex in Visakhapatnam, AP, India for inviting our Uplift a Child International children for lunch. There is no way our children can afford to eat in a KFC restaurant. We sincerely appreciate KFC for this noble work of inviting less fortunate children and give them a chance to enjoy what the middle and upper middle class people enjoy. KFC team received our children with love and has showed them love, care and great support. Our children felt at home with their warm welcome. We are very touched with the way they have taken care of our children for almost 2 hours in providing the best. “Thank You KFC-Vizag” We will always remember your help. Uplift a Child is supporting around 300 children in Vizag area. We have selected children of MVP SDA School to participate in the lunch.

We are thankful to Mahesh and Vani Dontamsetty’s family for their continued support for many years and finally they got a chance to meet 99% of their sponsored children in many locations in India and were blessed with a heart touching experiences while meeting them and talking to them.

OUR SPONSOR’S SPECIAL CONTRIBUTION

We would like to thank many of our sponsor’s families who have done the following

1. Some of our sponsor’s children have donated their birthday gift money to Uplift a Child
2. Some of our sponsor’s families have donated the money from their anniversary programs to Uplift a Child.
3. Some of them made a commitment to donate 25% of their will to Uplift a Child
4. Some of them are restaurant owners and have donated the tips money to Uplift a Child at the end of the year.
5. Some of them have actually donated the money they have for God’s gift towards sponsoring hundreds of meals (food for our children during our annual events)
6. We now have started a new program called “Adopt a Child Forever Program”. For US $2,500 we can support a child forever by depositing the money to a fixed deposit in the bank and the interest is enough to pay for annual expenses for a child. Now many sponsors are considering this program and sponsoring children in their parent’s name, foundation name or in memory of someone whom they love so much. With this money, we support a child for 12 years and then pick a new child and support for 12 more years and the cycle will continue forever.
OUR CURRENT NEED

Need New Sponsors: We still have 115 children waiting for help on our webpage http://upliftachild.org/children.asp for this year and need help to connect them to a good family.

OUR FINANCIAL REPORT

Our goal for 2013 is $200,000. We received a total of US $173,000. We are short by $27,000 as of 21st December, 2013. We are thankful to the contributions from 515 individual sponsors as well as few company matching funds. The financial report for 2013 will be available online for anyone once it is ready on guidestar.org. Please find a copy of our previous year’s form 990 approved by IRS. http://www.guidestar.org/FinDocuments/2012/201/814/2012-201814364-098e2930-Z.pdf

Sponsors for Food Donation during Uplift a Child Annual Programs in India

Food Donors - Thanks to many of our friends who donated a good meal (from 25 - 100+ meals) during our Annual Programs in India. It generally costs $2.5 per each meal and we have a need for close to 3000 meals for our next Uplift a Child Annual Programs in January 2014

OUR PLANS FOR 2014

1. We are not planning to take too many children in 2014 and will continue to improve quality in our existing children the coming year with the help of our local volunteers. We may take a very few new children as we have already committed to them from the previous year.

2. We will be extending Uplift a Child help to the children of Philippines. We are starting with just 20 children. Joy Soriano, co-worker of Sam Vonumu initiated this and will be working closely with the local volunteers in the Philippines.

3. Because of our success with Nrityanjali fund raising event in 2013, we are inviting many Dance Schools to partner with us to do a similar events all over USA. So far, 3 local Dance Schools have already partnered with us for 2014. They will be performing for us in Connecticut, New Jersey and Virginia states. We are still waiting for more to confirm so that we can support many more children in the Dance School’s names.

4. Annual Children Programs in India were generally conducted by Sam & Rena Vonumu during their visit to India each year. But in 2013, they have conducted 80% of them and 20% are done by the Uplift a Child team in India. From 2014, we are inviting any of our Sponsors to conduct the Annual Children Programs during their visit to India with the assistance of Uplift a Child India team. We are looking for any of our current sponsors to conduct 2014 programs in Pitapuram, Kesanapalle, Rajahmundry, Vijayawada, Chirala, Bobbili, Machilipatnam, Avanigadda, Chittoor, Karmatar and Bisunpur in Jharkhand, Naxalbari in West Bengal and Gossaigaon in Assam.
